

Club House – AA Lifestyle Centre

An attractive cultural Club House will be traditionally built ,mostly with natural stone, arch and pillars, together with the near by fourteen 1-3 bed Cottages, for sale ,rent and few for genuine Real Estate Co-ownership, for those not interested do buy and maintain a private house, but own (in a company) specific period residency .This will consist of a Restaurant, Traditional Coffee Shop, Cultural and Exhibition room.

In operation,as part of the club, is a heated (all the year) overflow ,pool with all amenities and kiosk, for the mere necessities, and in attractive stone surrounds.

Additionally to offering food and drinks the Club Management will offer-management and maintenance cleaning, as well as renting, changing periods between Co-ownership Owners.

Provide constant transport to sea beaches, shops centres and shops, by mini busses or otherwise, and/or the arrangement of visits, visits to other Towns, to Archaeological and Touristic places.

A lot of cultural and other events and exhibitions of traditional products, the making of haloumi cheese, anari, carob syrup etc.It will actually be a very Cultural Club aside a Cultural /Historic Village that of Psematismenos with its very attractive historic Church of Saint Marina in the Village, under which our Santa Marina is named and a chapel on the opposite hill, historic museum , huge old olive trees theme park with walking and sitting facilities and a lot of other recreations , coming along in few years .

The village is small, with 250 locals living in pretty detached homes, and about 100 visitors (now 30 families at Santa Marina).

“They always greet you with a smile and have something to offer you at the coffee shop or leave you a basket of lemon / orange at your door steps.”
